## *Dear Golf Friends - Welcome to Båstad*

*– a town beloved by the Swedish Royalty and the Nobel family*

It is an honour for the Swedish Senior Golf Association to organize the 20th ESGA Masters Team Championship & Cup 70+, and the Super Masters Team Trophy 75+, 2019.

Sweden has made a name for itself as a golfing nation. Golf in Sweden, which has more than 480 courses with almost half a million members, is booming. Given Sweden's geography and topography, it is blessed with golfing landscapes; seaside links hewn from rugged coastline and others that carve through giant forests, as well as parkland courses.

This year the event is held at a golf club in the Southern part of Sweden, Båstad Golf Club with two courses – 36 holes. The Old course opened as the second 18 holes course in Sweden in 1930. The New Course opened in 1990. The club has 1650 senior members and around 400 junior players. Many of them you will meet as volunteers on the golf course during the competition.

The city of Båstad is a small town. It booms during summer months when a lot of visitors come for its beaches and tennis. The Swedish Open in Tennis has been played here for 70 years.

Everybody involved in the organization of the event hope you will have a nice stay and we will do our best to retain this event in your memory.

Welcome to Sweden,

*Bo Rydén*
