Dear Golf Friends, welcome to Båstad *– a town beloved by the Nobel family and the Swedish Royalty*

It is an honour to organize the 20th ESGA Masters Team Championship & Cup 70+, and the Super Masters Team Trophy 75+, in the period time of 23th to 28th of June 2019.

Sweden has made a name for itself as a golfing nation. Golf in Sweden, which has more than 480 courses with almost half a million members, is booming. Given Sweden's geography and topography, it is blessed with golfing landscapes; seaside links hewn from rugged coastline and others that carve through giant forests, as well as parkland courses.

This time the organization decided to appoint a place and a golf club in the Southern part of Sweden: Båstad Golf Club with two courses – 36 holes. The old course opened as the second 18 holes course in Sweden in 1930.

The players and delegates will stay in high standard hotels in the city of Båstad, a town well known for its tennis and beaches. The Swedish Open in Tennis has been played for 70 years.

We will do our best to retain this event in the memory of all participants.

Welcome to Sweden,

Bo Rydén

Bo Rydén
President of the Swedish Senior Golf Association (SSGA)
